**Re: Consulate of Barbados – Project
Coral Gables, Florida**

Dear Ruben:

It was great working with you again on the Consulate of Barbados project. I wanted to thank you for all of your efforts in keeping the tight-budget project on track and running smoothly. In the end, you and your craftsmen delivered a quality job on budget and on schedule. I know the folks at the Consulate are very happy with their new offices as well.

I'm looking forward to working with you again soon.

All the Best,
